

ROLLS-ROYCE SILVER SHADOW II

Year : 1978

£29,500

Chassis number: SRH34427

Finished in Willow Gold and Fawn Everflex roof, upholstered with Magnolia hide interior piped in Dark Brown, with Honey Gold carpet and sheepskin over-rugs, for a classic combination of the period, this beautiful Rolls-Royce Silver Shadow II has only completed 44,250 miles in 46 years and is a credit to its owner.

Alongside the standard dual zone air conditioning, beautiful walnut dash and automatic transmission, additional features include dark brown coachlines, front and rear head restraints, top roll, underdash trim and radio surround in hide, badge bar, thin whitewall tyres, rear Rolls-Royce motif quarter pillar badges, rear seat belts and rear passenger door mirrors.

A Blaupunkt radio with separate 8 track cassette deck is also fitted.

RREC factory build sheets verify this car was originally supplied to Marshall of Cambridge on 16th June 1978 for a buyer in South Wales, who was the first of 7 former keepers, paying £24,246 for the privilege.

With three annual services completed by RRBSA member Colbrook since 2020 this distinctive and distinguished car remains in beautiful condition and we will naturally service and MOT the car prior to delivery for its next fortunate owner.

Early inspection at our Bromsgrove premises is advised by prospective buyers who wish to waft their way into a more relaxing way to drive
