

## BENTLEY TURBO R

**Year:1990**

**£29,950**

### A Striking Example of Sporting Elegance

Presented in flawless Balmoral Green paint with a Beige hide interior piped in spruce, complemented by dark green lambswool over-rugs – this exceptional “on the button” 1990 Bentley Turbo R is a real wolf in sheep’s clothing, with a rumoured 330 bhp on tap powering this 2.5 tonne car to 0-60mph in around 7 seconds. Having covered just 56,125 miles in 35 years and with an impeccable service history, chassis CH32813 offers the ultimate driving experience of its marque in period.

In addition to its walnut dash, blemish-free door walnut cappings, dual zone air conditioning and automatic transmission, this fine example is enhanced with a host of desirable features including:

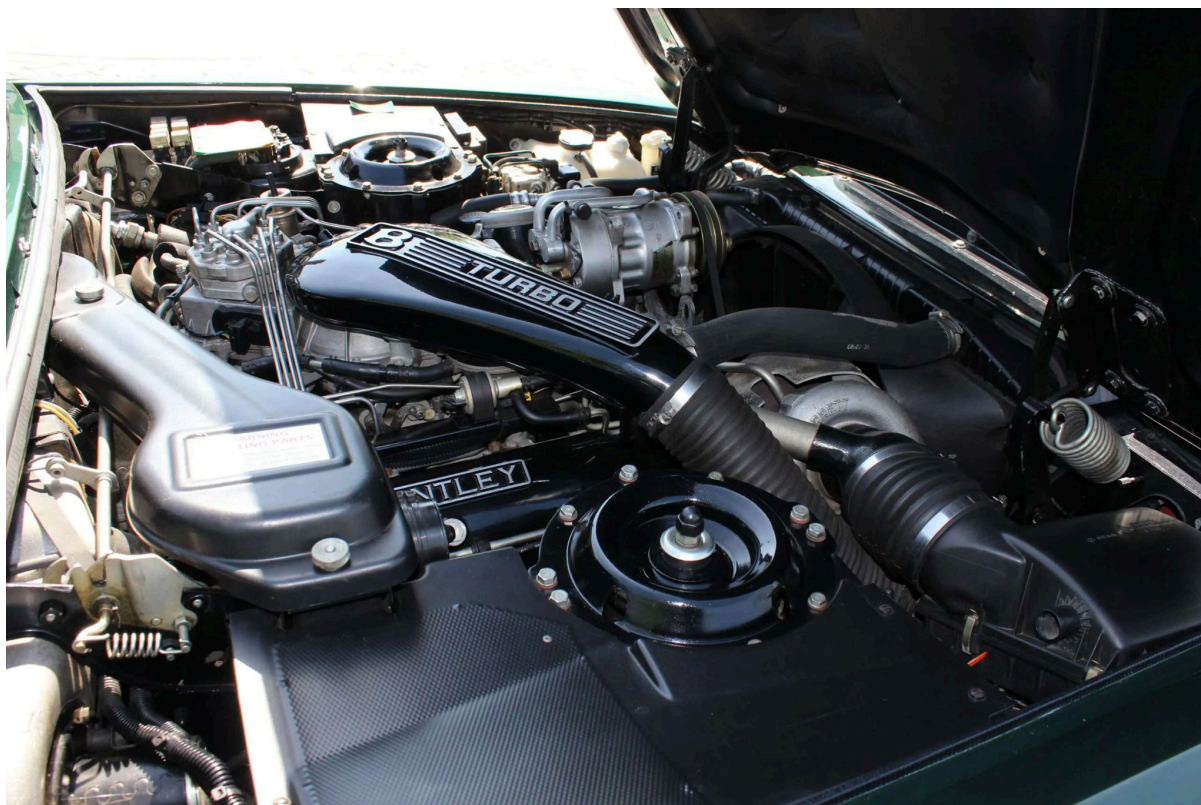

- Colour coded spruce leather top roll
- Thin rim period correct steering wheel
- Blaupunkt SQR 42 radio with cassette deck
- Red Bentley Turbo R badges
- A pair of front mounted wicker whisky flasks with matching crystal glasses
- Rear seat walnut picnic tables
- Supremely comfortable sports leather seats

Serviced by RR&B Garages since June 2021 and with prior expenditure totalling £18,700 from May 2000 this car has benefitted from a full No 2 hydraulic, brake, suspension and gearbox service, cruise control repair, new battery and initial underbody corrosion treatment in 2021. This was further enhanced by additional coachwork to restore the immaculate paint finish and provide a ceramic coating. More comprehensive underbody cleansing and treatment occurred in 2022 with new brighter LED head lamps and hi-fi speakers installed along with 4 new correct Avon tyres and new wheels. A regular C service and MOT occurred in 2023 at 54,265 miles and again in 2024 at 55,720 miles.

A visually striking example with matching top performance for the discerning buyer, not to be missed.
