

BENTLEY CONTINENTAL DHC

Year : 1990

£0.00

Finished in Brewster Green with body colour radiator cowl & veins. Complemented with original Everflex spruce hood, trimmed in spruce hide with beige head lining, spruce carpets and lamb's wool over rugs, Traditional Burr Walnut veneer fascia's.

This car has a detailed service history from new and has been with the current owner since 2013 having covered 47,500 miles having been maintained by Bentley main dealers and recognised Rolls-Royce & Bentley Specialist, while more recent history is with P&A Wood we have just completed a comprehensive program of works to bring the car to the high stand expected by our clients.

This car has been awarded 1st in class on two occasions by the Bentley Drivers Club and remains in a condition to potentially take the award again. This is one of a small number of RHD hand-built convertible Bentley Continentals to be constructed giving a unique opportunity to own a part of British motoring heritage.
