GARAGES

Finished in Shell Grey over Oxford Blue with Blue fine lines, Blue Grey leather piped in Blue with Royal Blue carpets.

This car must be one of the best Silver Dawns, with a continues and interesting history and has covered 75,000 miles from new.

The car has been known by RR&B Garages since 1998 and was restored by us shortly after, while the car has change hands since then via P&A Wood it has also been maintained to the highest standards by marque and RRBSA specialists during that time.

We are pleased to offer this car again and strongly recommend that the car is viewed and road tested to fully appreciate the quality of this car and should not be confused with the condition of other cars of this type.

Unlike many dealers this car is offered with our own 12-month warranty.
