RR&B
GARAGES

**Number 31 of 100**

This ONE OWNER car was a special ordered with Bentley Turbo R power upgrade from 325 to 385 BHP and limited slip diff. Finished in elegant Atlantic Blue with Weybridge-style front wing vents, this exceptional example is number 31 of only 100 built. The interior is equally impressive, upholstered in Pebble and Sand hide with a dual Sand and Atlantic blue hide top roll, featuring embroidered Bentley motifs to all headrests, steering wheel trimmed in Atlantic blue and black hide and complementing the trim are burr Walnut facias. The Mulliner finishing touches include chrome dashboard dial finishers, a starter button, and drilled alloy accelerator and brake pedals.

This car has been known to RR&B Garages from new and has been meticulously maintained, this car has covered 63,450 miles and is supported by a comprehensive service portfolio with original invoices.

The car has the benefit of an audio and sat nav system upgrade with parking sensors fitted front and rear. (original audio equipment is retained with the car).

During the ownership the car has visited Jordan, Borneo and many other European trips with the RREC and BDC - a clear testament to the passion the owner has for this car and its maintenance that allows us to present the car in its outstanding condition today..

This is not to be compared with the average Brooklands of this era.

A full inspection and test drive are highly recommended to appreciate its unique quality and provenance.
