RR&B
GARAGES

Finished in verdant metallic, trimmed in Oatmeal hide with contrasting spruce secondary hide conifer carpets. Hide steering wheel in Oatmeal and spruce with embossed winged "B" logo.

The interior colour scheme is complimented well by the traditional Burr Walnut veneered fascia.

It has an excellent service history file with supporting evidence that this car has been maintained to the highest standards and has covered 40,000 miles.

RR&B Garages have known this car since 2022 since then has been maintained regardless of cost for the current owner.

This car is a true pleasure to drive and viewing is strongly recommended to fully appreciate the condition and provenance of this beautiful motor car.
